

Specification Amendments

On page 4, after paragraph 30, insert the following paragraphs:

--Figs. 22-23 illustrate a combined EAS and bar code reader with scale system having two load cells.

Fig. 24 illustrates another combined EAS and bar code reader with scale system having one load cell.--

Drawing Amendments

Attached is a replacement sheet 12 of the drawings with proposed change to Fig. 16 for which approval is requested. The only change is replacing element numeral "420" with --422--.
